

SUZUKI
Grid Kids
DUATHLON SERIES
bike + run on the race track!

Hi there runners, riders and drivers!

Exciting times at Grid Kids headquarters with the announcement of Suzuki as naming rights sponsor of our 2011/2012 series. What does this mean for you? Not only can Jamie Gaskin be visiting your school in his Suzuki Swift racing car but you could also win a ride to school in it!

Suzuki Triathletes Cameron Brown and Kris Gemmell will also be keeping in touch with us, providing us with training tips and updates on their competitions via our Facebook page. So please remember to LIKE us today.

Plus all early bird entrants will receive a Suzuki cap in their entry pack – so get online and enter today.

Remember the Suzuki Grid Kids Duathlon is held in conjunction with the New Zealand Motorsport Series, with the duathlon coinciding with Sunday racing.

Our aim is to encourage kids aged 6-13 years to participate in an individual or team duathlon while providing a unique opportunity for kids to ride their bikes on the race track under the watchful eye of the NZV8 and Suzuki Swift drivers, fans and their families.

We still have complimentary tickets to the motor racing for participants and two adults as part of the race pack goodies. So turn a morning activity into a family day out.

Pukekohe is our first event off the mark and entries are already coming in. We have individual, team and family entry prices this year – so encourage your friends, cousins and sisters or brothers into competing.

If you would like Suzuki Grid Kids to visit at your school before the event please leave us a message on Facebook or email info@gridkids.co.nz so we can arrange a visit.

Until next time, stay active and have fun!
